THE NEW IMPROVED
COLUMBUS - ALBUM.

LOOSE LEAF—RING BINDER

MANY collectors prefer a ring binder album because the pages lie flat when the book is in use. If you try a first class ring binder album, one with high quality metal parts, with booster openers, you will be pleased with it.

BINDER—Fine quality three ring binder with automatic opener, a pressure with your fingers snaps the rings open, pages are instantly interchangeable. The back is a tough, semi-flexible board, covered with black imitation leather (Fabricoid) and lined with a silk like cloth, a beautiful binder.

PAGES—One hundred 11x8½ inch pages, of fine 24 pound Ledger paper, printed with a quadrille ground work 9x6½ inches in area with an extra panel at top for names and data. The quadrille work is quartered for an easy guide in mounting stamps.

TITLE—Heavy art paper title page and back guard page included with each album.

PAGE HOLE REINFORCEMENTS—Some collectors place gummed cloth washers around page holes to prevent tearing out the page. These are included with the album but care in handling makes their use unnecessary.

A ring binder album should always be kept laying flat.

DIRECTORY OF STAMP CLUBS ..... IN THE UNITED STATES

With the thought of again rendering a service to Collectors, LINPRINT INC., have prepared a pocket-size directory of some 175 Stamp Clubs throughout the United States. Full information as to the Secretary's name, address, phone number, dates and place of meetings of the Clubs and in many cases the name of a member who will be pleased to welcome you to the City is given in this directory.

If you are planning a vacation trip, if you are regularly on the road, or if you take short week-end jaunts over the country, you will want one of these directories to carry with you at all times. The price is nominal and we have no doubt that the collectors will agree that it is well worth the price.

Single copies mailed postpaid to you at ..... 15c each
To Clubs in lots of 10 or more postpaid ..... 10c each

This Directory is not a make-shift affair, but an accurate and up-to-date listing of each Club. In no instance did we guess at information, or list any Club on which we did not have complete and accurate information.

Remember that this is just one of the several items we have in mind for the betterment of Stamp Collecting and the promotion of acquaintanceship among Collectors.

Nothing adds so much interest to your page of stamps as illustrations directly associated with the stamp itself. Fine specialized collections are illustrated with pictures, drawings and photos that tie up closely with the stamp.

We have many different varieties of small prints, printed on good quality paper, which will make a handsome appearance in your album. They are so cheap that everyone can afford to buy them.

With each picture is a brief printed description of the picture which may also be mounted in your album.

S. P. A. Convention Griddle

AFTER a few days on the griddle at Cincinnati, one feels quite well done. It seems that every time the writer has gone to Cincinnati in the past couple years that all past heat records for the period are broken.

Last July, the hottest days Cincinnati ever experienced were dished out during a Saturday and Sunday trip. Then during this convention, the all time record for August was broken.

Your editor attended the convention accompanied by Mrs. Linn and as is our usual custom when attending these meets, we try to have a good time and let the politicians run the show.

Even in the face of the terrible heat we accomplished this purpose and altho both of us were tired from the strenuous days and nights, we did enjoy renewing acquaintances with old friends and in making many new acquaintances.

For the Society members, we can refer you to the official publication of the Society for news and information of a political nature, other than that the next convention will be at Asheville, N. C.; the steam roller ticket was reelected and the society refused to support the proposal of Mr. Geldhof for a board to censor or approve stamp issues.

We were told at the banquet on Saturday night that there were 137, just two more than St. Louis had a year ago. Most of these were out of town visitors and members and Cincinnati Collectors were not in abundance. This is a situation, however, that is noticeable at most all such events, the visiting crowd far outnumbering the locals.

We want to offer our apologies as a member of the S. P. A. to Mr. Korte. Whether the Society makes such an apology is a matter for the proper officers, but our personal apologies are made here and we know that many members go along with us in this.

On Thursday morning during the first session of the convention, the ladies were taken on a trip to some interesting points about the city. Thursday afternoon a crowd attended the ball game and on Thursday evening Dr. Coppock gave a complimentary dinner at the Mecklenberg Garden to all registered attendants.

Friday morning the convention session again occupied the time while in the afternoon a trip to Coney Island on the Island Queen was the feature of the day. In the evening, a number of the visitors attended a performance on Bryant's Show Boat which was docked at the wharf on the river. This was a genuine old time Show Boat with "Mellerdramar" and everything, even down to peanuts, pop and prize packages.

During the performance it was noted that the scenic drop curtain was painted at the old Schell Scenic Studios in Columbus, Ohio. It was also noted that one of the large colored slides used in an illustrated song pictured an envelope which bore a 2c red stamp of the 1908 issue as big as life.

On Friday evening at midnight there was a meeting of the group known as the Footloose Filatelists, this organization sprang up somewhere in Wisconsin and is believed to be somewhat on the order of the Visiting Firemen, yet it was demonstrated that it did not have the stamina required of real fire fighters.

Saturday morning saw the close of the convention sessions and on Saturday afternoon there was a sightseeing trip about the city. Saturday evening the banquet was the feature of the evening and thanks to the committee in charge this was not prolonged with speech making.

Throughout the three days the exhibition and the bourse fought to attract the few visitors that came to see the show.

It should be noted by all collectors everywhere that when there is an exhibition staged along with a bourse that these two features should be combined and placed under one tent. It has been demonstrated time and again that the average collector coming to these meets of any nature is by far more interested in the bourse than in the show and if combined, they will be more successful in every way. To separate them is to court disaster. Last year at Washington, the A. P. S. Bourse was hid away in the basement and hundreds of visitors never knew it was there.

It has been our privilege to attend twenty or thirty shows and bourses combined in the past couple years and we believe that the actual business done at such events was less at this meet than at any we can remember of in major cities. Most dealers did but little business, considering the three day meet. On the other hand we did find one or two who did as much as they had expected, but in those situations, expectations were based on very conservative figures.

We believe we are safe in saying that the biggest total sale was made by Blake Battles of Akron, while the largest single sale was by the Columbus Postage Stamp Company in selling the Fraser Local to Mr. Schenck.

The exhibition was dominated by Mr. Willis Crosswaite of Cincinnati, who took many first prizes as well as seconds and thirds. Claude Millar was proud to win a first with his collection of Malta. Claude stated that it has taken him fifty years to do this, which we believe demonstrates the old saying, the "First fifty years are the hardest." Claude ought to find the going easier from here on.

John Hardig was also much pleased with his first award on his U. S. stamps and both Mr. and Mrs. Flinn carried off honors in Air mail covers, autographed and crashes.

Following the dinner, Beach Terry was given the usual vote of thanks for his efforts in handling the convention details and we want to also mention Helen Hussey, who always plays a big part in any affair where she has an opportunity to take part and plays it in an excellent manner.

For the hotel, we feel certain that

Another Souvenir Gone

Apparently the removal of the Tipex sheet from the Agency list stimulated interest in the Chicago Century of Progress souvenir sheets to such an extent that the one-cent value has been exhausted. It was removed from the list on August 20, thus leaving but one souvenir pane available, the 3c Chicago pane of 25 stamps.

Ladies' Day at the Bureau

A stranger stepping into Mr. Hall's office at the Bureau of Engraving and Printing might have thought that it was "Ladies' Day" for the Director, as women representatives from no less than twenty organizations had gathered there to witness the first run of the Susan B. Anthony commemorative stamp, the morning of August 20. Mr. Clinton B. Eilenberger, Third Assistant Postmaster General, made an address which was followed by a short statement from Mrs. Harvey W. Wiley, Vice-Chairman of the National Woman's Party. Adelaide Johnson, sculptor of the bust from which the likeness on the stamp was drawn, was intensely interested in the proceedings, as was also Mrs. Robert Adamson of New York, Chairman of the Susan B. Anthony Memorial Committee. It is interesting to note the various organizations that were represented, such as the Inter-American Commission of Women, the Susan B. Anthony Forum, the Susan B. Anthony Foundation, the League of Women Voters, the National Woman's Party, the Woman's Christian Temperance Union, the Business and Professional Women, the Federated Clubs, the Soroptimist Clubs, the Zontas, the Quotas, the League of American Pen Women, the Association of American Women Dentists, Women's International League for Peace and Freedom, the Medical Women's Association, the Ladies of the Grand Army of the Republic, the Women's Bar Association, the National Association of Women Lawyers and the Collectors Club of Washington.

The stamp is simple of design, and perhaps its simplicity makes it a striking example of stamp artistry. The designer at the Bureau of Engraving and Printing was Victor S. McCloskey, Jr. The Lettering was engraved by Edward M. Hall and the picture by Carl T. Arlt. Plate numbers are 21588, 21589, 21590 and 21591.

Collectors with orders being held at the Philippine Trade Commission for the Rizal set are still waiting some definite word as to the status of their orders. Apparently the new set-up has not taken into serious consideration what a market the American stamp Collector is for new is-

sues, or the Rizal Commemoratives would have been rushed here in sufficient quantities to satisfy the demand.

The latest word from the Commission is that they have been informed that the sets have been shipped and should be here around September 15. That office also claims that the sets are complete, which if correct would offset that persistent rumor that the 6-centavo value had been withdrawn from sale. The stamps are coming by regular steamer, which accounts for the extended length of time.

Harvard Propaganda

Renewed efforts of various grades of collectors met with little interest here in Washington, when the propaganda for issuance of a Harvard stamp was revived. The Collectors Club of Washington went on record as opposed to any stamp being issued honoring an individual educational institution. The Washington Philatelic Society debated the subject when brought up at a recent meeting but took no action. The Post Office Department has not changed from the oft-repeated statement that such a stamp has not been placed in the stamp program.

Post Office Dedication Cachet

The new Federal post office in Meredith, N. H., is scheduled to be dedicated about the first of October and a suitable cachet is being sponsored by the Meredith Chamber of Commerce. Collectors desiring this cachet, should send covers ready to go, unstuffed and unsealed, to Sedley Bartlett, Meredith, N. H. No postage dues accepted and usual courtesies appreciated. Deadline for the receipt of covers has been set for Sept. 19.

Anthony Stamp Design

NAVAL CANCELS AND CACHETS

By Marshall R. Hall, ANCS 10
1767 Bedford Road, Columbus, O.

Conducted under auspices of American Naval Cancellation Society and news is welcome from all sources. Code symbols for ANCS members' guidance. UNLESS OTHERWISE SPECIFIED ALL EVENTS REQUIRE 1 CENT A COVER FORWARDING POSTAGE. Address all news and inquiries to Mr. Hall and NOT to this magazine.

Celebrating his removal to a new location, T. M. Holcombe IV, now at 126 Spout Spring Ave., Mt. Holly, N. J., announces a series of 18 cachet events in connection with commissionings, decommissionings, launchings and keel layings. He requests that exactly 18 covers, no fewer, no more, be sent him, as this enables him to make up his send-out batches in even lots. He has a pair of new cachets and these will be used on some of the above events. He requests a post card be included with your covers so he can notify you when yours are out. (C-H-T)

When the USS Perkins makes her shakedown cruise, an active ANCS member on board, C. E. Pierson, will have in his possession a Richell designed cachet to apply on covers, with the sponsorship of Shenandoah Crew 29, of the ANCS, Greenville, O. Covers should go to Pierson, however, and address him on the ship, Navy Yard, Bremerton, Wash. (A-B-E-T)

Norward B. Scatchard, Box 326, West Chester, Pa., is anxious to get in touch with these old time service men. If they, or anyone knowing them, see this, please contact Mr. Scatchard. The names: Tom Bohn and Charles W. Douglas, USS Mississippi; Ray Briggs Bell, USS Nebraska; David Donaldson, USS Hawk, and Ernest Slinger, USS Benham.

This is a sleeper. The USS Upshur is on a cruise to Caribbean waters, carrying the 30th Fleet Division, U. S. Naval Reserves. ANCS Member Charles D. Todd is on the cruise as a Reserve, and on very short notice, in collaboration with Mr. Todd, a series of cachets were fixed up and covers mailed him for cancellation during the cruise, which ends Sept. 4. All who had covers with the editor of this Log were taken care of on this. It came out of a blue sky and could not be published early enough for all to take part in. Sorry.

Another Navy Day cachet has been created by Leslie Paulson, 25 Highland Terrace, Middletown, Conn., and covers should be rushed him, as this will go to ships in the Asiatic fleet. (H-L-T)

Six out of the eight naval items published in the Aug. 5 issue of the "Kaw Chief Stamp Journal" were lifted from this column and the editor, at the conclusion, named me as a "co-operator." This is to say that if other naval writers must crib stuff from this column, they ought to credit Linn's as the source and not give the impression that I, personally, am sending them news.

The editor referred to in the above paragraph says the mail clerk on the USS Pope is not noted for being obliging in cancelling of covers. Well, collectors will find this news, indeed. N. R. Parr is the mail clerk, and he not only is obliging and accommodating, but very much interested in our hobby. The fact that another ANCS member, H. R. Marshall, is on board and will handle covers on the Pope may be responsible for the error as to Member Parr, but you may send covers to either or both, and you will get fine service. (A-B-E-T)

O. A. Farrabee, Box 20, Submarine Base, New London, Conn., advises that collectors' covers in his hands are getting extremely low, and requests that those who are interested in his fine printed, colored cachets and the nice cancels he gets, rush more covers to him shortly, sending at least 10. Ohio naval collectors interested in affiliating with a new ANCS Crew, are invited to contact Cuyler Rickett, Welsh Hills Rd., Granville, O., or Harry Wentz, 600 Mt. Vernon Rd., Newark, O. This is the newest crew and is now in process of formation.

Those who have written me regarding the ANCS cover exhibition and convention possibilities for Columbus this fall, are asked to send all inquiries, with return postage, to C. Wright Richell, 2382 Neil Ave., Columbus, O. Inquiries and plans so far known indicate a rousing big affair this fall.

Straight From the Shoulder

A Few Minutes with the Editor

WE ARE STILL SELLING STOCK.

Yes, we are still selling stock in Linprint Inc., altho we have not mentioned the matter over the last couple hot summer months. Even without having called attention to the fact we have had several subscriptions for stock in the past two months. In the early spring and before the hot weather set in we had very good success with our offer of stock in Linprint Inc., and are encouraged to believe that by a persistent effort throughout the coming winter that we can reach our goal and dispose of the remainder of the stock that we have planned to issue.

Our new year for the paper begins with our November issue at which time we will make an announcement that will surprise our readers as well as all collectors. We will make this announcement because we believe that we are going to be able to reach the goal we have been striving for—sufficient capital to make expansion plans as we have hoped for and then a steady climb to the top. We are certain that there will be a lot of collectors who will kick themselves because they did not take stock in Linprint Inc., when they had the opportunity, for after the allotment is sold, there will be no more available and when we once get set as we have planned in the past few years we are certain to make ownership of stock a highly desirable investment.

We believe that we can begin our expansion plans this fall with the view of growing up to the point where we will have to place new equipment in our plant and that by the time this need is reached, we feel that continued sale of stock will be sufficient to meet the cost of this new equipment.

Therefore, if you have had in mind buying stock in Linprint Inc., do not put it off till too late. We will be glad to hear from you now and give the matter our careful attention.

Ask for one of the Prospectus' if you have not seen a copy. A 6% investment with a return of 10% additional if the stock is called at a later date. Where can you find a better investment.

IT ISN'T SO.

The Pacific Philatelist, Published by the Redwood Publishing Company of Berkeley, Calif., calls attention to something which other publishers seem to have overlooked.

It is Scott's listing of the Tipex stamps and the notes that follow the listing. Scott lists the four stamps in imperforate single copies and then lists the sheet as a piece altho the sheet is given no catalogue number, yet it certainly should bear a number as an individual piece. Following the listing of the sheet, Scott says: "Single stamps without two large margins showing part of the above marginal inscription are of no value."

That is certainly enough to make a horse laugh. If any of you collectors happen to get hold of any of these stamps that have the marginal inscriptions trimmed off and believe what Scott says, just send the stamps to us, we know better.

For our own part, we would not keep single copies in our collection with the ugly margins attached. We trim ours off.

Perhaps a suggestion as to how these stamps ought to be listed will be of interest to our readers and here is how we list them and how we place them in our album. The new

1936 supplementary pages for Linprint Unit System Albums, when issued after the end of the year will provide a space for each single stamp in the sheet but without boxes large enough to include the inscriptions. The stamps can always be identified by color and by sufficiently large enough margins to prove them imperforates.

Besides single copies, we will include also two spaces for both right and left se-tenant pairs and top and bottom se-tenant pairs, making four single copies and four different pairs. Our pages for blocks will provide a space for the block with margins trimmed off for we do not know why anyone should collect the margins if they are after blocks of four. Our Souvenir Sheet Pages will provide a space for the complete sheet with margins attached.

Thus the collector who wants the works complete in mint copies will need four sheets of the stamps to fill the spaces.

This is just one reason why the Tipex sheet will be a big seller and why you need not worry about the large number issued, they will be absorbed faster than any other souvenir sheet because of the facts above stated.

Eventually we expect Scott to include the above layouts in their specialized albums for there is no other way to have a complete showing.

National Philatelic Week For School Children

In an effort to interest children throughout the country in National Philatelic Week, Parent-Teachers Associations have been asked to co-operate by arranging exhibits in schools, neighborhood theaters, and stores; by special meetings at which prominent collectors will speak; and if possible, to arrange for an essay writing contest on some philatelic subject. Teachers everywhere acknowledge the value of stamp collecting among children, and the National Congress of Parents and Teachers has promised co-operation.

In Illinois, the President of the State Congress is giving full support to our program, and the Councils of the State have been asked to sponsor an essay contest, the winning essays received by each Council to be submitted to the Central Federation in Chicago for a grand award.

It is hoped that children everywhere will be encouraged to take an active part in celebrating National Philatelic Week, but the Central Federation cannot assume responsibility for prizes outside the State of Illinois.

Airmail Cover News

C. A. Hunter, Syracuse, Nebraska

Information, as well as inquiries for this department should be addressed as above.

A Service. . . . We are always willing to be of service to our readers. About a year and a half ago, we started the method of holding postal cards for short notice events. At that time only one other air mail editor performed the same service, M. S. Petty of Washington, D. C. We are still performing that service for our readers who will send us a supply of self-addressed cards. As an additional service, we hold prepared covers for sudden events and mail them with our own covers and all we ask is that you enclose 1c forwarding postage. In the past, this cover service has been applied to dedications but any reader in Hawaii can avail themselves of this service for first flights.

Ken Tallmadge of Flint, Mich., advises us that Indian River, Mich., dedicates on August 23. Send covers to C. of C. . . . News clipping states Scotts Bluff, Nebr., will hold air show and races on August 23 — this may be a dedication. . . . Work progressing nicely on Grand Island, Nebr., airport, may have news shortly. . . . Bureau of Air Commerce says new airport at Statesboro, Ga., two miles northeast. . . . Information wanted — Morrisville, Vt., reported dedicated in June, also Donald Woodward airport reported opened in May at LeRoy, N. Y. . . . Covers are reported as being carried from Selfridge, Mich., to Decorah, Iowa, bearing a three line cachet. . . . News report states that Childress, Tex., may have airmail service in near future on Dallas-Amarillo route as soon as airport is improved. May be a dedication. . . . Press dispatch reports that Pangborn is to start his hop from the Great Lakes Exposition at Cleveland. . . Navy hops. Twelve new Navy planes will be flown to Hawaii in two mass flights of six planes each, one in December and one in January. These are to replace older VP-6 planes.

Thanks for covers received, friends. A nice cover to welcome the fleet at Hawaii mailed on the USS Arizona on August 3. Thanks to Philip Akeo. Two covers for Warren County Centennial mailed at Front Royal, Va., with cachets picturing Belle Boyd, famous Southern spy and also the Headquarters of Belle Boyd. Covers are mailed on August 7 and 8. Thanks to Virginia Hale.

Co-ops: Philip Akeo, Rex Copp, John Allen, M. W. Buckinham, Ken Tallmadge, and others.

China to France First Flight

Mr. K. K. Lee writes to inquire if any reader has had news of the First Flight between China and France. This initial flight was a forerunner of air mail and passenger service operated by the Southwestern Aviation Corporation and Air France. Mr. Lee received a few of these covers as a complete surprise from friends in China.

The route covered is quite interesting which started from Canton, China, and made Hanoi, Cochin, its first stop, hence to Marseille, France, then forwarded to New York. In all it took 17 days.

Covers have Chinese government cachet and a special Canton airplane propeller cancellation cachet. Each cover has a complete set of China 2nd air mail stamps which is $2.40. Evidently there are but a limited number of covers carried as the initial flight must have been made very shortly after announcement.

NEW CATALOG.

The 17th edition of the Mitchell-Hoover Bureau Print Catalog was out in time for the convention. I just glanced over the book but have not as yet had time to review it.

THERE AND BACK.

To Hartford, Conn., and back, about 1500 miles the round trip on my fourth convention tour. I made Kansas City in '29, Cleveland in '30, Indianapolis in '33 and now Hartford, and I am just a piker compared to some of the confirmed addicts. I traveled some fine roads in the different states and some bad ones and I think as a rule most of the other states have better roads than OHIO, but if you want to travel and know where you are going, you will have to come to OHIO. Ohio in my estimation has the best routing system of any of the states I have been in. You can come into a city on a certain route, in Ohio, and leave by a different route without delay or inconvenience but I will be dinged if you can do that in some states I was in recently. This trip, I think, I went thru more places from which I have precancels than any other trip I ever made. When coming into these towns I would look over the business places and factories that I could see from my route and try to pick out ones that used the precancels. I wonder how many I missed. Here is a partial list of the places I thought I would see only from my album pages but traveled thru recently. Honesdale, Pa.; Corry, Pa.; Meadsville, Pa.; Sharon, Pa.; Johnstown, Pa.; Milford, Conn.; Danbury, Conn.; Middletown, Conn.; Wallingford, Conn.; Port Jervis, N. Y.; Olean, N. Y.; Elmira, N. Y.; Jamestown, N. Y.; Randolph, N. Y.; Salamanca, N. Y. and Falconer, N. Y.

CONVENTION NOTES.

Next Year's Convention at Minneapolis.—This was the largest attended Convention in the History of the Society.—183 registered and of course many nearby collectors and visitors not bothering to register. In the Convention picture there must have been 200 which is about three times the number in any picture I know of previously.— Adolph Gunesch sold a copy of the 2c New Orleans Experimental for double catalog. It was a superb copy.—Adolph presented the guests at the banquet with a pair of Spokane 140 and H. O. Nouss of St. Louis presented them with an OREGON commem precancelled Creves Cave, Mo.—Good prices as usual were obtained in the auction. But like every auction the usual amount of high cataloged stuff that is slow moving went rather cheap.—A description of the Exhibition next week.

CONVENTION SIDE GLANCES.

Emil Jahnke and H. O. Nouss look like twins,— from the rear. Either would tip the scales at about three hundred. Boy! Could they have fun on a teeter totter.— Mae Wachter, of Hoover Bros., Petite, or in other words, just a little sq—. — Doris Kiley, the dealer of Millis, Mass. Demure and a little Puritanical. The boys all closed up their books when she opened up shop.—Met Gearheart Frantz who sports my last name as his first. Spells it a little different tho.—Met Jerry Erikson and Joe Miller and a host of others whom I can't remember.—Was taken for Adolph Gunesch once. Can't figure out whether I was complimented or insulted, or whether it was Adolph who the joke was on.—Allan Vestal tried to give me an application blank for the PSS. —To me tho the convention lacked something and I finally figured out it was the absence of Capt. Pforzheimer. The Captain is confined to the Government Hospital at Washington and of course couldn't be on hand.

GENERAL CATALOG.

W. B. Hoover had some of the advance sheets of the forthcoming General Catalog along with him and he promised me a look but we couldn't make connections. Any way Adolph Gunesch saw it and said it was good and if Adolph says it's good IT IS GOOD. The catalog is promised about the 15th of September.

New HAYDON BUROPRE CATALOG, (Price 20c, Post-paid) uses denomination as the stamp number. For ordinaries "A" before the number denotes old types, perf. 10x10; "B", old types, perf. 11x 10½; "C", Standard Current types; "K", old Coils; "L.", Standard Current Coils. There you have the new copyrighted, simplified HAYDON BUROPRE NUMBERING SYSTEM. PARKER HAYDON COMPANY, 2125 Center, Berkeley, California.

Broadway Chatter

By Bi Stander

Tobias O. Chew writing in "Stamps" states that after a month of stamp hunting in the West Indies, he returns with a more wholesale respect for the supplies and prices of the American dealers. It is easier to do business with dealers here, as in the West Indies they like to haggle, naming a high price and going down. That is true. One of our friends went to Jamaica, and when he came back the junk the dealers there foisted on him was terrible to behold. The excitement of buying between the sailing of a boat, and the idea that the prices are cheaper always seem to weigh in the minds of the tourist.

The 1935 Duck stamps are on the market here in quantities. This is a pretty stamp and undoubtedly these supplies will be absorbed in this market.

The demand for used British Colonies here has taken quite a rise in interest by reason of the British silver Jubilee excitement. Dealers report that there is a steady demand on used Jubilees here of the better grade with very little supplies on hand. New York is a cheaper market on used Jubilees than London is, as we have found often that on comparing prices the American dealer can beat the price of his British cousin in practically every instance.

The demand for U. S. stamps here continues unabated with many dealers buying all they can get and salting the stamps away for future reference. Even the comparatively cheap stamps such as the Penns, Websters and Oglethorpes used are not on the market and prices are rising all the time. It was not long ago when these were easy to get here but no more. The 8c Olive U. S. airmail used is not found here in any quantity and Europe gobbles this number up. There are a lot of mint Farley's in the hands of collectors, speculators and dealers and fantastic prices are being asked. Some of them are bound to come out, and maybe at a more reasonable price.

We hear that there is a pawnshop in Gotham that will lend money on unused current U. S. stamps.

The set of five of New Zealand which has been issued by the New Zealand Government in conjunction with the Chamber of Commerce Empire Conference to be held in Wellington in October is an extremely pretty one judging from illustrations seen here. The stamps are about as large as our U. S. Commemoratives, and show on the various stamps, cows, the interior of a butter factory, sheep, fruit growing, and the imports of the dominion.

S. P. A. Convention Griddle

(Continued from Page 855)

the management did all in their power to help make everyone happy. The unbearable heat made everything unpleasant and the only relief to be had was a visit to the cocktail bar either for a cooling drink or to enjoy the atmosphere which was cool and comfortable. Incidentally, the assistant manager of the Sinton told me just before I left for home Sunday afternoon that the business at the bar was the best in several weeks, proving what?

It would require too much more space to attempt to make fitting remarks about all those whom we met at this convention. A pleasant session around a table was had with Harry Lindquist, P. M. Weiss, Mrs. Weiss, Mrs. Linn and myself. Matters of a general nature were discussed as well as the Philatelic Publishing Game.

O. C. Lightner, publisher of Hobbies and the young lady who manages the magazine were in attendance. Mrs. Severn, who was scheduled to speak at the banquet, could not appear on account of the accident suffered by Mr. Wylie recently.

The charming Mrs. Nickles of Washington was there and radiated happiness and sunshine wherever she went. Dr. and Mrs. McGay of Cleveland had a good time altho the Dr. was occupied much of the time with the Politics of the Society while Mrs. McGay enjoyed herself most in playing Skee Ball or throwing bricks at the babies at Coney Island.

Steve Rich of the Precancel Bee was boosting his new yellow catalogue and having a general good time at the same time. Vincent Domanski, one of the leading and best known collectors of Philadelphia and a devotee of Poland Number Ones, was a man we were glad to meet and chat with.

Harry Mason of Washington, altho one of the oldest in years, was one of the youngest in actions and Harry seems to be coming back strong in his later years.

We met Russell Broderick of Wisconsin fame and Russell has a hobby of looking after the youngsters.

Warner Robeson, Mrs. Robeson and their charming daughter made an interesting trio. From Akron there were Blake and Ann, Walter Poppenger, Ray Boling and Gardener. This latter trio showed up late and must have got lost in the shuffle or wilted by the heat because they disappeared before the banquet.

Don Martin of Cleveland was boosting the December Congress which is to be held on the Monday and Tuesday following the annual Akron party on Saturday and Sunday in December.

Michael L. Eidsness as usual was heard at many of the parties and had just come to Cincinnati from Atlantic City where he had accumulated a sunburned back that looked like a piece of fresh beef. On Friday morning after putting all the rest of the crowd to bed, Mike insisted that I come up to his room and scratch his back. I told him that Harry Lindquist ought to do his back scratching for him, but since Harry had retired some hours before, there was nothing else to be done than that I perform the ceremony. Mike removed his shirt and I plastered him with a heavy coat of Noxzema. Mike then was fully prepared to retire. Mike had to perform one duty yet and that was to look over the morning paper and see how his political fences were standing up, so he picked up a copy of a morning edition, sat himself down in a chair to scan the news and after satisfying himself that all was well on the Kansas Front, he retired.

At noon, when he prepared to sally forth again, he planned to put on his other suit, a brown one which had just been to the cleaners. Mike looked for the suit and lo and behold it was draped over the very chair on which he had sat before retiring and the entire coat from collar to tail was smeared with the lotion which I had rubbed on his back. As a result, Mike had to wear his winter suit of gray, all through the hot convention.

They came to the Convention in every manner and it would be impossible to mention them all. Perhaps one of the most unique couples were Mr. and Mrs. Conrad from Chicago and everywhere. Mr. Conrad is the man who put over the big Chicago Stamp Bourse. Right now he has been living for several weeks in a handsome Kozy Coach Trailer which he occupied while in Cincinnati. Monday he arrived in Columbus where he and Mrs. Conrad were entertained at dinner and in the evening a visit was made to the home of Mr. and Mrs. Schenck where a few pleasant hours were spent in showing Mr. Conrad a few volumes of the wonderful collection of Mexico which Mr. Schenck has built.

The Conrads went to Sandusky on Tuesday and from there will go east and up into Canada, after which they plan to go back west to Winnipeg, then to California and to land in Florida for the winter stamp activities. Mr. Conrad stated that he expects to spend the next couple years traveling about the country and buying stamps.

Columbus, Ohio, had five at a banquet table, Messrs. Sturgeon, Bopeley and Manley, together with Mrs. Linn and myself. Carter Glass of Virginia was also at our table.

The Creed family was in evidence as usual, altho we missed Mamma Creed.

Cincinnati big shots in the persons of Stanley Ashbrook and Adolph Fennel put in an appearance for a few moments at different times but were generally most conspicuous by their absence.

All in all, a good time was had by those who made a good time for themselves and there was plenty of opportunity, even tho the heat was unbearable at times.
